POST TO: RMU Facebook Page and RMU Bulletin Boards

DATE: September 10, 2019
FROM: Chad Davis, Operations Manager 
SUBJECT: Direct Sale of Scrap Materials from the Service Center

As per the Disposal of Utility Assets Policy certain items have been deemed surplus assets and are being offered for sale at the unit prices listed below.

- Used Fire Hydrant: \$50 each
- Used well piping: The length measured shall include any couplings that are attached to the piping. The diameter is based on the outside diameter of the pipe rounded to the nearest whole inch.
 - 8" diameter: \$1.50 per foot
 - 7" diameter: \$1.40 per foot
 - 6" diameter: \$1.30 per foot
 - 5" diameter: \$1.20 per foot
 - 4" diameter: \$1.10 per foot
 - Less than 4" diameter: \$1.00 per foot

All sales are subject to sales tax of 7.6%.

All materials listed above are available on a first-come, first-served basis. All purchases of these materials must be completed during normal RMU working hours. RMU can provide assistance loading but the buyer is responsible for securing the load and transportation of the purchased materials.

All purchases shall be paid for with cash only and shall be paid in full prior the materials leaving RMU property.
